

# Music Trips

There are many great music festivals held throughout Victoria as well as Interstate annually.

Why not consider getting a group of friends together and hiring a bus or coach to take you there in air-conditioned comfort. This way you arrive relaxed, ready to enjoy the entertainment and parties without feeling tired after a long drive. Then, when the event is over, we will bring you home again, perhaps a little hung over.

Our coaches have both CD and DVD players so we can help set the mood whilst travelling. We don't even mind if you have a quiet drink whilst travelling as long as you keep our coach tidy and remain well behaved.

Use the coach for transport between your accommodation and the various venues so that you do not have to worry about drink and drive laws.

Either organise your own accommodation, tickets, etc., or let us make all your bookings for you.

Contact our Office to discuss your proposed trip with us. Our friendly staff can help with suggestions and ideas.
