

# Pokies Trip

Do you like the idea of a low cost, days outing in a coach?

Why not consider a trip to one (or more) of the clubs just over Victoria's border into New South Wales? These clubs were a very popular outing for Victorians before the introduction of licensed gambling in this State and still offer excellent value for money as a day out.

As we receive a subsidy for bringing you to the club, we are able to keep our prices to you very low. The only condition is that you must spend a minimum amount of time at the club (normally three or four hours). Gambling is not compulsory; you can sit back, enjoy lunch and a few drinks in air-conditioned comfort. Perhaps watch sport on one of the large screen televisions.

Use the outing as a fundraiser for your club by charging your members a little extra per seat and/or organise a raffle to be conducted on the coach.

Combine your trip to the pokies with a visit to a winery, an orchard or the SPC/Ardmona factory outlet at Mooroopna/Shepparton for a great day out.

We can also run overnight tours to the border, visiting two or three different clubs and can arrange your accommodation at comfortable motels at reasonable rates.

Contact our Office to discuss your proposed trip with us. Our friendly staff can help with suggestions and ideas.
